

AI Resume Analyzer Report

Generated: 21 May 2026, 01:04 PM

ATS Score: 68 / 100

Detected Field: Business / Finance / Marketing

Found Skills:

excel

Missing / Recommended Skills:

financial, accounting, marketing, sales, business, analytics, power bi, tableau, crm

Improvement Suggestions:

1. Add your LinkedIn profile link.
2. Add a proper Projects section.
3. Add a proper Experience section.
4. Add more keywords relevant to Business / Finance / Marketing: financial, accounting, marketing, sales, business.
5. Start bullet points with strong action verbs like Developed, Designed, Implemented, or Built.
6. Your resume is too short. Add more details about projects, tools, roles, and impact.
